Minutes were approved from last meeting.

Public Comment, we had an interested new player from Reno and his Father attend to find out more about our league. They had some very good ideas on fundraising.

Position Reports:

Ward Patrick found out the cost of the tents was \$1950 for the college tournament. this was deemed to be to expensive. No word on Keva juice to report.

Troy Olson: The pump for the rink was \$152.00 , but Mike will take a look at the old one first. Michelle's flyers looked good and we are going to ½ sheets in Carson. The building in Washoe was \$ 1,100,000 and was only 50/100 in size. This is out of our price range at present.

Christy Holcomb: Justin Otero's father is moving and unable to be rink manager. Papa Murphy's interested in College Tournament. Rich Gieser interested in open position he should attend the next meeting ,he also said yes to helping with skills and drills.

Andrew Tucker: The tournament people only want to rent our rink for one day from 10am-12am November 10<sup>th</sup>. They will supply the puck, refs, league official. They say that nets not necessary, we could put signs up. They only want to pay \$85.00 per hour which is \$1190 . We believe this is not enough revenue. Andrew will counter offer this proposal. We will get together a Officer of the Day schedule for all board members.

We need to approve the final schedule by Friday 8-17-07 or any comment upon its review. Andrew will contact Lisa Tucker about old accounting information.

Mike Hardy: He called Uriah about referee clinic but hasn't heard back. He will look at the pump and try to get some help with it.

We discussed getting a presentation together for fundraising.

Adult league will be discussed at a later meeting along with the by-laws. When Russ Law can attend our meeting.

Meeting adjourned at 8:00pm
